

## Wounds to Wisdom

Trauma Informed Care uses evidence based methods to assist individuals in healing from negative experiences that have left psychological and/or emotional scars.

*Family and Children's Services, the City of Elizabeth, Department of Health and Human Services, the Council of Churches on Reentry, and the Union County Interfaith Coordinating Council invite you to a symposium that will feature **practical, informative, and evidence based information**, for anyone responding to and/or affected by trauma, in all stages of life.*

**Who should attend:** Community Members, Mental Health Care Professionals, Healthcare Professionals, Teachers, School Counselors, Daycare Providers, Foster Parents, Clergy, Sexual Assault and Domestic Violence Advocates, Social Service Professionals, and **anyone** committed to increasing an understanding of trauma and its effects.

*Includes presentations by a panel of experts in the field of trauma, along with questions from the audience.*

**RSVP to:** [smendelson@facsnj.org](mailto:smendelson@facsnj.org) or [lgrayson@elizabethnj.org](mailto:lgrayson@elizabethnj.org)
